ANNUAL MEMBERSHIP APPLICATION 2015-2016

Adat Chaverim is a Humanistic Jewish Congregation offering a non-theistic supportive community that promotes pluralism, inclusion, as well as cultural continuity for our children. We seek to strengthen connections to our heritage, while celebrating Jewish holidays and events with contemporary meaning and modern relevance. Our community includes agnostics, atheists, spiritualists, intercultural, and LGBT families and individuals. As genuine Humanists, we warmly welcome you to our congregation. Join us in celebrating who we are as a secular Jewish people and community!
